Advocate

The matter is taken up by the Single Bench pursuant to the order contained in the Notification No. 638 – WBAT / 2J-15/2016 dated 23rd November, 2022 issued in exercise of the powers conferred under Section 5(6) of the Administrative Tribunals Act, 1985.

On consent of the learned counsels, the case is taken up for consideration sitting singly.

After the death of her father during service as a constable with Government Railway Police on 05.05.1997, the applicant had prayed for an employment under compassionate ground. The applicant is one of the four siblings. At the time of her father's death, the applicant was a minor and only 12 years 10 months and 9 days old. After consideration of the application, the competent respondent authority regretted such compassionate employment primarily on the ground that she was a minor at the time of her father's death. The respondent authority while rejecting such application had cited Notification 251-EMP dated 03.12.2013.

While examining the application, the Tribunal did not find any ground, neither disputing the fact that she was a minor at the relevant point of time nor such reason for rejection has been questioned. The only ground the applicant appears to have focused is that despite she being interviewed and her documents verified she was not considered for such post. The Notification 251-EMP at clause IV states very clearly that such application is not admissible if the applicant was a minor at the time of her father / parent death.

Having observed the above point, the Tribunal, not finding any merit in the prayers, disposes this application without passing any orders.
