**Case No. – OA-158 of 2017**

**Anjarul Hussain VERSUS – The State of West Bengal & Ors.**

Serial No. and Date of order	For the Applicant	:	Mr. G.P. Banerjee, Mr. R.K. Mondal, Learned Advocates,
<u>21</u> 23.06.2022	For the State Respondent	:	Mr. M.N. Roy, Learned Advocate.

:

In this application, the applicant Anjarul Hussain prays for setting the impugned order No. 364 dated 13.02.2017. Having prayed earlier for compassionate employment, the respondents had considered his application and rejected the same on the following grounds :-

- a)"Beleted request is for exceptional cases, when
- i) death during action;
  - ii) where none in family is eligible.

In the instant matter, the application is filed after 12 years 03 months and hence cannot be accepted....."

Thus the case cannot be considered.

It appears that the after the death of the deceased Md. Jamrul on 19.03.2002 , the widow Asila Khatun had applied for job on compassionate ground for herself. The respondents had set up an enquiry committee and the committee recommended for appointment on compassionate ground to the mother of the applicant. But no appointment was given to her. The mother of the applicant again submitted representation along with duly filled up proforma application before the respondent for her son with no objection. The respondent further constituted enquiry committee and upon enquiry into the matter further recommended the prayer of the applicant for employment on compassionate ground. Thereafter the respondent authority rejected his claim for compassionate appointment vide order 13.02.2017. The applicant challenged the same and filed this application.

Vs.

The State of West Bengal & Ors

The respondents filed action taken report and the applicant had already replied to the same.

Let the matter appear again on **27.07.2022** for hearing.
