Case No. – OA 495 of 2023

The matter is taken up by the Single Bench pursuant to the order contained in the Notification No. 638-WBAT/2J-15/2016 (Pt.-II) dated 23rd November, 2022 issued in exercise of the powers conferred under Section 5(6) of the Administrative Tribunals Act, 1985.

On consent of the learned counsels for the contesting parties, the case is taken up for consideration sitting singly.

Supplementary Application filed by Mrs. Agarwal be kept on record.

On perusal of the representation so written and submitted before the Director of Health Services, the Tribunal finds the language utterly unpalatable and not befitting his qualification as M.Sc. The representation written in complete disregard to grammar appears to be about promotion. He seeks his promotion on the ground that he is a M.Sc. and therefore urgent order be issued to promote him as a Teacher of Laboratory. The representation does not speak about why and how he is entitled for promotion and why such promotion has been denied to him. There are no details and it is a representation which has fallen much below the acceptable standard of writing a representation by a person who is M. Sc. educated. The Tribunal does not find such representation worth any consideration, neither by the respondent authority nor by the Tribunal.

This application is **disposed of** with liberty to the applicant to file a fresh application having a proper representation, if so wished.
