| Mihir                                 | <p>However it is noted that in the year 2014 after the death of his father except one application made by the wife of the deceased employee but no steps have been taken by the applicant to pursue the case before the authority and after a long time of 4(four) years, he has approached this Tribunal for a direction to the authority. Therefore the application is barred by limitation as the cause of action has arisen in the year 2014.</p> <p>However as per the applicant he had waited for the response from his mother's application though he never made any application for his own before the authority. Therefore we are not satisfied on the point of limitation. Accordingly, the OA is dismissed being barred by limitation.</p> <p><b>P.
